AITC- Canon upgrades its sponsorship to GIX to be gold sponsor

AITC- Canon Company has upgraded its silver sponsorship to GIX to be gold sponsor. The organizers highly regarded this step as it reflects the company's belief in the event's success.

On the other hand, AITC- Canon will enjoy more benefits as a gold sponsor, some of which are gaining larger booth size in the exhibition and having more free invitations for the company's attendees to the event.
