GIX organizers meet in the Jordanian Capital-Amman

An official delegation from the State Company for Iraqi Fairs headed by the new General Manager, Mr. Nazar Hatem, met with the Iraqi-Vision for PR and Media's Board of Directors headed by the company's CEO, Mr. Murtada Kamal Al-Din on last Tuesday in Amman.

During the three-day meetings which were held in I-Vision's offices, the delegation was updated with the organizing work process done by I-vision and the latest registered enterprises in the event. Responsibilities of each part were discussed regarding GIX organizational issues. The meeting ended with both parties agreeing on exerting all efforts and mutual cooperation to make the event a success.

It's noteworthy that GIX is the first and most important commercial and industrial event organized by the Iraqi government in the Gulf region to reinforce business relations with the Gulf and worldwide.
